

In 1970, six local businessmen & Pastor Ed Compton came together to help the homeless & hungry in our city. From a simple storefront, they handed out sandwiches, mats, blankets & drinks to those in need. Pastor Compton became the Founding Director, & through the grace of God, leadership of many & generosity of our community, LVRM has grown to help thousands of men, women & children each year. With no regular funding from any government sources, we rely on the generosity of individuals, families, local businesses, organizations & foundations to continue our story of providing hope and changing lives.

The Las Vegas Rescue Mission (LVRM) exists to serve those in need through food, shelter, daily needs and addiction recovery, offering hope to individuals and families through Jesus Christ.

# VOLUNTEER OPPORTUNITIES

Volunteers are the heart & soul of LVRM; we simply cannot open our doors without volunteers. This year, we are blessed to have over 19,000 volunteers committed to be a part of our team, but there is always more work to be done than there are people to do it. Volunteering benefits LVRM, those in need, and YOU, and takes as little as one hour. Everyone has a talent or gift they can share through volunteerism to make a difference and change lives. What is your gift?
