

In 1970, six local businessmen & Pastor Ed Compton came together to help the homeless & hungry in our city. From a simple storefront, they handed out sandwiches, mats, blankets & drinks to those in need. Pastor Compton became the Founding Director, & through the grace of God, leadership of many & generosity of our community, LVRM has grown to help thousands of men, women & children each year. With no funding from any government sources, we rely on the generosity of individuals, families, local businesses, organizations & foundations to continue our story of providing hope and changing lives.

The Las Vegas Rescue Mission (LVRM) exists to serve those in need through food, shelter, daily needs and addiction recovery, offering hope to individuals and families through Jesus Christ.
