Our residential recovery program is for men and women with life-controlling addictions who want to make a positive life change. The program is free and is a way to get off the streets into a safe environment. Residents have all physical needs met during the program, so they can focus on recovery. The recovery program is up to a one-year commitment and can serve approximately 120 participants. Residents are required to actively pursue recovery, including attending required treatment programming and meeting regularly with a counselor. The program also includes providing a resident with the necessary tools for successful integration back into society.
