What is the Walk A Mile In My Shoes event?

OUR EVENT

The Walk A Mile In My Shoes event focuses on educating the community on how to get involved in responding to homelessness.

Participants will walk to and through the Rescue Mission to learn about our programs and services and then build a snack lunch for someone in need before returning to the event area.

Why you should Walk A Mile with us!

OUR GOAL

All funds raised from our Walk A Mile event go towards helping LVRM continue to provide much needed programs and services to low-income and homeless individuals/families, such as free meals, shelter & addiction recovery.

Help us achieve our goal by sponsoring our event today!

Over **12,000** individuals and family members **experienced homelessness in 2021 in Southern Nevada**, while thousands of others continued to struggle with food and job insecurity.

The Las Vegas Rescue Mission has been here through it all and has continued to provide care and support to those in need.

We work around the clock to assist those who need the most help in our community.

We are a beacon of hope for our community.
