

REDEMPTION.
RECOVERY.
RESTORATION.

**SERVING ALL,
CARING FOR EACH
SINCE 1970**

The Las Vegas Rescue Mission helps to serve those in need through food, shelter, daily needs and addiction recovery, offering hope to individuals and families through Jesus Christ.

PROGRAMS & SERVICES

VOLUNTEERS

Volunteers are the heart and soul of the Mission; we simply cannot open our doors without them. Become one of our regular volunteers today!

IN-KIND DONATIONS

Every year we partner with dozens of companies and groups to provide the homeless with basic needs. Contact the Mission so we can partner with you too!

THRIFT STORE

Our Thrift Store is an important link between the community and those in need. Donated items are given away to the less fortunate or sold at discounted rates to the public. Our inventory is constantly changing, so visit often!

SHELTER INTAKE

We offer short and long-term shelter for men, women and their children and are the only shelter that takes in-tact families and single fathers in. Case management is available for all shelter guests and assistance is provided in obtaining employment, legal documents and legal issues.

RECOVERY PROGRAM

As the only on-demand treatment facility in the valley, our Christian-based addiction recovery program provides a structured living component and work therapy staffed by licensed clinicians and interns.

CELEBRATE RECOVERY

Share your heart and soul in the love of our savior, Jesus Christ, as we help our residents through their journey with weekly lessons and testimonial worship.

EVENING MEAL & GIVEAWAYS

Our Mission offers a daily evening meal: open 5:00pm-5:45pm to the public. We regularly provide essentials like hygiene kits, socks, blankets, clothing, etc. Other essential needs are available upon request and based on inventory.
