A Message from HEATHER ENGLE

A SEASON OF *Possibility...*

A lot changes this time of year. We're moving into a new season. Days are getting longer, and new life is springing up around us. It's a reminder that even in darkness, beauty and hope are just around the corner.

The Easter season is also a reminder of Christ's sacrifice... and the hope for new life and renewal.

Renewal is happening inside the Las Vegas Rescue Mission as well – in the lives of the men and women who come to us in their darkest hour. Each person who walks through our doors is a story of resilience and possibility, like Justin, whose story you can read on page 3.

Through the support of friends like you, these men and women can rise above their circumstances and rebuild their lives. Because our services offer more than meals, safe shelter and care. It's about finding faith that a new life is possible.

Thank you for empowering our guests along their journey from darkness to light... from despair to hope. Your generosity gives them the tools they need to move from the shadows of displacement or addiction, into the light of stability and hope.

“I USED TO BE SO LOST. BUT NOW I’M FOUND... AND I’ve found MY PURPOSE.”

Justin’s childhood was filled with pain and instability that damaged his outlook as he grew up. **“My mom was an addict. I thought that being in the streets and involved with drugs was the coolest thing ever.”**

As the years went on, the consequences mounted: broken relationships, displacement and addiction. **“I had no spiritual connection with life. I had nothing going on for me, and nothing left.”** Desperate to fill that emptiness he felt, Justin turned to the Las Vegas Rescue Mission.

When he arrived, he was skeptical and angry, but everything began to change as he connected with counselors, staff and pastors. **“My whole thinking changed,”** he recalls. **“Instead of being angry, I became grateful because this place is doing for me what I couldn’t seem to do for myself.”**

Through classes like Healthy Boundaries and Adverse Childhood Experiences, Justin found healing and learned how to process the pain of his past. **“I was able to be vulnerable because I was tired of feeling this way. The staff walked with me through that misery. They helped me see past the lies I used to tell myself.”**

Thanks to the Mission, Justin experienced a freedom he never thought possible. **“I didn’t feel alone anymore.** I worked in the warehouse and loved my community there. I even became head of house and chapel assistant.”

His faith – now a real relationship with God – was nurtured and strengthened during his time at the Mission. **“I’ve gotten a deeper understanding of a loving God that cares about me. I don’t feel lost anymore.”**

This Easter, Justin has a new direction for his life. Thank you for lighting the path forward for him to experience a future of hope and peace! **“I truly felt like I had lost my soul... but I’ve been given it back and I’m so thankful for that. I see a bright future ahead of me.”**

“I HAD A VOID INSIDE OF ME. I KNEW I NEEDED GOD IN MY LIFE.”

May we shine the light of Christ.

“In him was life, and that life was the light of all mankind. The light shines in the darkness, and the darkness has not overcome it.” — John 1:4–5
